

Principal Portfolio Scoring Form SY15-16

Instructions: A Principal Portfolio is one of the measures used to determine a principal's summative evaluation rating. Use this form to score the Principal Portfolio. Include specific evidence from the artifacts.

Use the following scale to rate each Essential Practice of School leadership. Refer to the descriptions in the *Five Essential Practices of School Leadership Framework* which is accessible on VIDE EES web portal at <http://tle.vide.vi>. Indicate what artifact(s) provided evidence of the rating for this practice and the rationale for the rating.
